

*The Independent Insurance Agents & Brokers of America,
Reagan Consulting and National Underwriter are proud to present*

The 2004 Best Practices Agencies

Each year since 1993, IIABA and Reagan Consulting have studied the leading agencies and brokers in the country. To be selected for the study an agency must first be nominated, then submit detailed financial and operational information that is scored and ranked objectively. Only the top performing organizations in each of seven revenue-sized categories qualify and are recognized as Best Practices Agencies. We congratulate these firms for their outstanding achievement!
